MORE INFORMATION

VISIT THE SEGA GIRLS SCHOOL

Your cultural experience begins by visiting the girls at the school in Morogoro for two days, so you can see firsthand the impact of your generous support. You will spend your time enjoying activities with the students, including playing netball, watching traditional dance, and viewing the impressive poultry farming business. You will even get in a training hike in the Ulughuru Mountains, nestled right next to Morogoro!

CLIMB KILIMANJARO

Next, climb to the top of the world's highest freestanding mountain, the *Roof of Africa*, Mount Kilimanjaro. This 7 day trip, led by Adventure International, is truly an experience of a lifetime. At 19,340 feet, Kilimanjaro dominates its landscape like no other mountain and is unique in that it's the only one of the famed Seven Summits that is a true non-technical climb. Well-marked

trails, along with experienced guides, provide an excellent chance of reaching the summit. Watch this video of our 2013 Kilimanjaro Trip by climbers, and Nurturing Minds supporters, Cathy Faughnan and Penny Tompkins - <http://www.youtube.com/watch?v=od5HXJkRtdU>.

SAFARI - AVAILABLE AS AN ADD-ON

While in Tanzania, take a few extra days to enjoy one of Africa's renowned game preserves such as Lake Manyara National Game Park and the Ngorongoro Crater, available for an Add-On. Ngorongoro Crater, the world's largest intact volcanic crater, has one of the largest concentrations of wildlife in Africa, including frequent game sighting of the Big Five -- lions, elephants, black rhinos, buffalo and leopards.

SUPPORT NURTURING MINDS

Funds raised through the challenge will support Nurturing Minds in our work to develop the Sega Girls School. We ask each climber to raise a minimum of \$2500, or each family a minimum of \$5000, which will enable us to continue providing a high quality education that will empower vulnerable girls to change their lives and follow a pathway out of poverty.
