6th Annual Nurturing Minds African Evening SPONSORSHIP OPPORTUNITIES

Event Sponsorship of Nurturing Minds 6th Annual African Evening provides an exceptional opportunity to support the education and empowerment of young African women. Sponsorship levels for the African Evening offer an opportunity to introduce friends to our dynamic program which gives bright, motivated, and economically disadvantaged Tanzanian girls the opportunity to earn a high school degree, and learn leadership skills, entrepreneurship skills and life skills.

The Hunnewell Carriage House at the Gardens at Elm Bank, Wellesley, MA
Friday, November 6, 2015**

As an event sponsor, you will be our guest for the evening.

African Evening, Wine Tasting, and Auction 7:00 PM – 11:00 PM

A special evening of wine tasting, delicious appetizers, open bar of beer and wine, and silent auction celebrating the success of the SEGA Girls School

Nurturing Minds, is a non-profit organization that operates the SEGA Girls School, a secondary school for impoverished girls in Tanzania, East Africa. The school currently educates over 200 vulnerable girls annually. Half of our students are orphans and all had dropped out of school for reasons related to poverty before coming to us. SEGA is a private, all girls, secondary school serving the poorest of the poor. In addition to a quality education we offer life skills, leadership skills, computer training, entrepreneurship training on an environmentally sustainable campus.

Your support means these girls will significantly delay marriage, earn four times the income than they would without a degree and have half as many children. As a small organization you can see directly the impact that your support makes. You can help these young women end the cycle of poverty in their lives and thrive.

YES! We will participate at the following level
