

# School Partnership Program

Thank you for your interest in Nurturing Minds (NM) and The SEGA Girls School, and teaming up with us to 'Change Our World, Educate a Girl.'

Nurturing Minds provides financial and technical support to the development of the SEGA Girls School – a residential secondary school for vulnerable girls in Morogoro, Tanzania. School Partnerships are a key component for engaging in global unity and to educate us all to live our lives with passion for others.

## Establish a School Partnership in just two simple steps!

**Step 1:** Check with one or two people at your school (this could be a teacher, administrator, or fellow students) to see if others have a similar interest in a partnership with NM and SEGA. Share our website to learn more about NM and the progress of the SEGA Girls School, [nurturingmindsinafrica.org](http://nurturingmindsinafrica.org).

**Step 2:** Contact us at [info@nurturingmindsinafrica.org](mailto:info@nurturingmindsinafrica.org) or 781.686.9247 to discuss **ways schools can engage in the partnership program.**

- **Education on the issues facing SEGA students:** Consider learning about the varied aspects of The SEGA Girls School - African/Tanzania geography, Tanzanian history & culture, politics, etc., Why is educating girls an important global trend (readings, etc), or the SEGA Girls School program (recruitment, campus, curriculum, etc).
- **Sponsor a student or general fundraising for NM/SEGA Girls School:** Hold a Nurturing Minds Photo Exhibit, fundrasier with a Change by Change campaign, Pod Networking, hold a soup supper, sell calendars & holiday cards, fundraise at athletic events like a 5K, hold an open mic night with proceeds donated to NM/SEGA, raise awareness by selling African Violets, native to Morogoro, Tanzanian (where the SEGA Girls School is located), or come up with your own fundraising idea!
- **Communication and/or correspondence with NM/ SEGA Girls School:** through a Pen Pal Program or by skyping with the SEGA Girls School.
- **Join the NM/SEGA Girls School Network:** Visit our social media links located below!
